# **INVITATION AND CALL FOR PRESENTATIONS 11<sup>th</sup> ANNUAL HYDROGEN EMBRITTLEMENT WORKSHOP**

**In Conjunction with the Fall 2015  
ASTM F07.04 Subcommittee Meeting**

**Thursday 19 November 2015  
Tampa Marriott Waterside Hotel; Tampa, FL, USA**

*Presentations are solicited in all areas of hydrogen embrittlement technology including evaluation of existing test methods, proposal of new test methods, failure mechanisms, prevention and other related topics.*

**No written paper is required.**

*The workshop is the only annual technical meeting devoted to hydrogen embrittlement testing technology for the aerospace industry, and is an ideal setting for exchanging ideas with, and obtaining feedback from, your technical colleagues in the hydrogen embrittlement testing community.*

**Please Submit Presentation Titles via e-mail to the  
Workshop Chairpersons by Sept. 30, 2015:**

**Ed Babcock  
480-891-3992 ([ed.a.babcock@boeing.com](mailto:ed.a.babcock@boeing.com))**

**Steve Gaydos  
314-233-3451 ([stephen.p.gaydos@boeing.com](mailto:stephen.p.gaydos@boeing.com))**
